Po zmontovaní výrobku vhodte polyetylénovú fóliu a kartón do kontajnera s príslušným označením plasty/kartón

Čalúnenie sa zbavuje povrchového prachu vysávačom alebo jemnou kefou. Čalúnený nábytok nevyklepávame. Radšej čistite častejšie, ako dopustiť veľký rozsah znečistenia. Čalúnený nábytok a jeho drevené časti nikdy nečistíme benzínom a acetónom. Čalúnený nábytok neumiestňujte na priame slnečné žiarenie.

Počas používania po polroku a potom raz do roka skontrolujte skrutky a v prípade ich uvoľnenia pevne dotiahnite. Výrobok neťahajte po podlahe, ale prekladajte.
